Subject: CU2025-05 - RMP 345 kV Transmission Line - Requesting to Withdraw Application

Greg and Marie,

We understand that the County intends to maintain its position that under Utah law Rocky Mountain Power currently lacks standing to pursue its pending conditional use permit for its proposed new 345kV transmission line. In Rocky Mountain Power's December 16, 2025 letter, Rocky Mountain Power explained that it does not agree with the County's interpretation of Utah law. However, under the circumstances, Rocky Mountain Power has decided to withdraw its application for a conditional use permit and seek easements and temporary occupancy orders from the Court if necessary for the project. Please withdraw Rocky Mountain Power's conditional use permit application having number #CU2025-05.

Please let us know that you received this request and if you have any questions, need additional information, or follow up. Thank you. D.

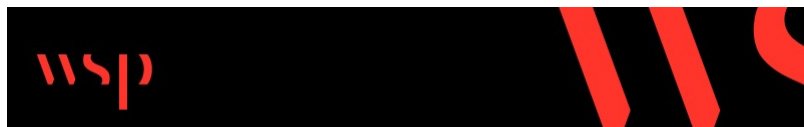

Regards,

David J. Gellner, PMP, AICP

Senior Technical Manager, Environmental Planning
South Mountain Environmental Impact Assessment & Permitting
