**APPLICATION TO AMEND THE ZONE MAP
(Not requiring a general plan amendment)**

Procedure

For all Zone Map amendments an “Application to Amend the Zone Map,” must be obtained from the Community Development Department and completed.

The application must contain all requested information and be submitted to the Community Development Department for review by 5:00 p.m. on the Monday 28 days prior to the next regularly scheduled meeting (Planning Commission meetings are held on the third Tuesday of each month).

The Community Development Department will notify all affected entities and accept comments on the application.

The Planning Commission will review the application at a public hearing and make a recommendation to the County Commission to approve, approve with modifications, or disapprove the proposed Zone Map amendment.

The County Commission, after receiving the recommendation from the Planning Commission, may then schedule a public meeting to hear public input on the application and take action to approve or deny the Zone Map amendment, or to refer it back to the Planning Commission with modifications.
